BUSINESS AVIATION CENTRE STUTTGART GMBH

> **VIP Service at GAT Stuttgart**

> Service and discretion

Our VIP Service is designed for passengers booked on a scheduled flight looking for a discrete and comfortable way to start their journey.

We welcome you at the General Aviation Terminal and check-in your baggage while you relax in our VIP lounge specially set up for you with snacks and beverages (only with Premium package). You proceed through passenger security and passport control in our terminal. With our private VIP limousine we take you to your aircraft directly where you can board immediately. Avoiding queues for check-in or search for a parking space this VIP service will allow your journey to begin easy and comfortable.

Our VIP Service requires a booking of at least 24 hours prior to departure. Please kindly provide us travel details as requested in our online booking form. After positive answer from the airline we will confirm the service to you by e-mail and look forward to welcoming you at our General Aviation Terminal.
